The first floor unit is a recently renovated spacious one bedroom apartment with full bath and an open kitchen / dining / living area. There is a private patio in the back.

The second floor apartment is a very large two bedroom, with a full bath, large kitchen and living areas. Lots of windows and skylights provide a very bright living area. There is easy access to the roof with a wonderful mirador to enjoy the breezes and views of the lake and mountains. Appliances are included and the upstairs unit is partially furnished.
